3D letters stay-put

Won't blow off!

Durable, Attractive and Effective

COMMANDER BOARD's are constructed of strong and durable aircraft quality extruded aluminum. They are light weight and easy to install. They can be used alone or with other signs. Bold Gothic 3D aluminum letters, numbers & symbols are pre-finished in your choice of white or yellow in 5.5", 7.5" and 10" sizes. Letters stack, stay organized and store for future use in divided plastic storage box. COMMANDER BOARD's have proven to increase sales for over 10,000 businesses all across USA.

Custom sizes & combos

"Our sign is GREAT! It's both effective and economical... It gives us a quality image... It's versatile... We can change it as often as we want... By far our best advertising." - P.C.
